

Subang Jaya  
Medical Centre

# WE ARE RECRUITING!

Subang Jaya Medical Centre is a 395-bed multi-disciplinary private hospital in Malaysia, offering a comprehensive range of tertiary services and has a leading team of Surgeons and Physicians associated with the facility.

We are expanding our team and would like to invite suitably qualified medical specialists from the following specialty to work with us:

## ❖ **Consultant Microbiologist**

The successful candidates for the position will:

- Be part of a progressive team to ensure that SJMC provides the highest standards of care to our patients.
- Require the following:
  - ☑ Minimum 5 years post graduate (those with less than 5 years' experience may also be considered in certain fields)
  - ☑ Registered with the National Specialist Register (NSR) and Malaysian Medical Council

Interested candidates are invited to submit their application with resume to Dr Vasuhi Murugiah at [vasuhi.murugiah@ramsaysimedarbyhealth.com](mailto:vasuhi.murugiah@ramsaysimedarbyhealth.com) ; +603-5639 1991
